Produkt

Heftee HX4000 - Standard Turf Pro Package, ea, 1

Heftee customers report technicians increase their job efficiency a minimum of 20-30% with a Heftee lift. Labor recovery rates increase. Heftee customers report technicians increase their job efficiency a minimum of 20-30% with a Heftee lift. Labor recovery rates increase. Heftee owners report anywhere from 20-50% productivity improvement. Includes XL4000 workstation, 4 wheel cups, 2 wheel cup extensions, 2 loading ramps, 2 telescoping bridge channels, 2 tie down straps, 1 owner-operator manual, 1 fork adjustment wheel, 2 Heftee extension arms, 1 tool parts tray, 1 standard axle jack, 1 standard pan jack, 1 swinging boom, 1 raising boom bracket. Lift up to 4,000 lbs., 87 inch wide equipment, to six feet into the air, in seconds. Lifts are designed, built and tested to four times their rated load capacity. Manufacturer's warranty applies. To ensure tool accuracy and personal safety, do not attempt to repair tools under warranty. No special installation or wiring required. The freestanding design allows the lift to be positioned in the shop where it's needed. The Heftee 4000 is ideal for commercial and golf course turf equipment and utility vehicles. We specialize in equipping technicians with special attachments to safely and conveniently remove wheels, engines, transmissions, with the equipment on the lift, and to support front and rear mount at
